**** NEIGHBOR NOTIFICATION ****

Section III.6.d(4)(iii) The DRB shall “require every applicant to submit with their application the signatures of at least three different Lot Owners adjacent to or within view of the applicant’s alteration or improvement, at least one of which shall be from an adjacent Lot Owner. In addition, if the applicant’s Lot is within a Cluster Association at least one of the signatures must be that of a Cluster officer. The required signatures are merely an acknowledgement of the applicant’s submission to the DRB and are in no way to be considered either an approval or disapproval of the pending application. At the discretion of the DRB, applications that the DRB determines to have a wider impact on the community may be required to provide additional notice beyond the signatory requirements of this provision.”

**** AFFECTED PARTY REGISTRATION ****

To register as an Affected Party, submit a written statement of concerns to the DRB Secretary within 5 days of receiving this application. An Affected Party is a Property owner who is determined by the DRB to be “materially impacted by the use or design of another Property owner.” Any Affected Party may be heard at the Panel review; will receive notice of decisions and any subsequent actions the DRB takes; will be sent notice of the Applicant’s appeal; and may file his/her own appeal, all with respect to the application.

**** STAFF REVIEW ****

Staff may review an application if it conforms to the specific guideline that allows this option. Please consult staff or the Design Guideline as to whether or not Neighbor Notification signatures are required.

**** STAFF REVIEW IN CONSULTATION WITH A DRB MEMBER ****

An application for which there is no Affected Party and which does not require review by a DRB Panel (see specific Design Guideline), may be reviewed by staff in consultation with a DRB member. Neighbor Notification signatures are required. The applicant may appeal this decision or request that the application be referred to a DRB Panel.

**** PANEL REVIEW ****

All appeals, applications with a registered Affected Party and applications for any changes that require Panel review under the Design Guidelines will be scheduled for review by a DRB Panel. Neighbor Notification signatures are required. Applications for initial construction and teardown/infill will be scheduled for review by the full Design Review Board.

IMPORTANT: Please contact Reston Association staff if you are unable to attend the DRB meeting for which you are scheduled.

**** APPEALS ****

All requests for appeals of a decision must be in writing and must be received by the DRB Secretary from the Applicant within 15 days after the mailing of the notice of the decision and from the Affected Party within 7 days after the mailing of the notice of the decision. The Secretary will submit the appeal to the next DRB Panel qualified to hear the appeal. For assistance in appealing the decision, please contact the Covenants Administration Office.
